

Genesee Education Consultant Services

GECS Employee Scholarship

GECS is a non-profit school staffing company currently serving client districts in Genesee, Lapeer, and Oakland Counties.

GECS believes in supporting its employees who are working on advancing their careers in education by continuing their education. We also realize the cost of many things are increasing and employees could need some financial help for things wanted, let alone things needed.

Therefore, GECS is offering scholarships to its employees who need financial assistance to achieve college credits in a planned program who may be considered for employment with greater responsibility in a GECS sponsored program.

Scholarships will be available to employees in good standing and with one year of service to GECS.

The value of the scholarship depends on the number of scholars awarded and the amount of funds available. (Range in value \$1,000-\$4,000)

Exemplary GECS employees/students will be considered for renewed funds as demonstrated by superior job and classroom performances.

Scholars will be awarded on an as needed basis throughout the calendar year.

Directions for Application
